This Retraction Note is brought to you for free and open access by Mansoura Engineering Journal. It has been accepted for inclusion in Mansoura Engineering Journal by an authorized editor of Mansoura Engineering Journal. For more information, please contact mej@mans.edu.eg.
RETRACTION NOTE

Retraction of “Numerical Modeling of an L-shaped Very Stiff Concrete Retaining Wall”

MEJ Editorial Board

This article [1] has been retracted at the request of the MEJ Board Committee due to a plagiarized content that is already appeared in Mansoura Engineering Journal in Vol. 33 (2008) - Iss. 2, Doi: https://doi.org/10.21608/bfemu.2020.127028

The authors have plagiarized part of a paper that had already appeared in journal of La Revue des Sciences et Technologie de l’Université de Constantine. B, Numéro 24. pp. 69–74.

Authors: Rouili, A., Djerbib, Y., et Touahmia, M., Accepted on: December 2005.

Available at: https://www.academia.edu/65307393/Numerical_Modeling_of_an_L_Shaped_Very_Stiff_Concrete_Retaining_Wall

The scientific community takes a very strong view on this matter and apologies are offered to readers of the journal that this was not detected during the submission process.
